admitted, it is not known how any restrictions can be imposed by Govt in regard to the rate of ground rent. In this view, no permission need have been asked for by the Inamdar for levying ground rent at the rates proposed. It may perhaps be considered whether it is not convenient to change the Santhe premises and arrange for the Santhe being held on Govt land so that the Dist. Board may profit by the fees to which may be levied thereon.

4 (1st Cr) 28.4.11 Mlle

This is not a new Santhe. The rates may be sanctioned. The ground should be kept clean and in a Sanitary Condition and enclosed if possible.
